Technical Specifications:

Motor Cycle (145 -160)

condition giving smooth economical performance and in Off- Road conditions capable of delivering strong adequate traction and maneuverability / stability needed for safe driving in rough, sandy or slippery and hilly road conditions in Nepal. Engine (145 – 160) cc, 4-Stroke Petrol Engine, developing Maximum rated power output not less than 14 ps and maximum torque should not be less than 12N-mat governed RPM. Starting system with self and kick. Emission The emission standard of the offered vehicle must be in compliance with or superior than the applicable Standard as prescribed by Nepal Vehicle Mass Emission Standard 2069(Euro-III), which is to be certified by Department of Transport Management. Transmission Minimum Five speed manual gear shift suitable for comfort and safe driving. Clutch Suitable for Transmission. High ground clearance preferred, minimum 145 mm. clearance Suspension Suitable for smooth ride, stable handling and comfortable driving conditions. Tires Standard Brakes Front disc type, rear disc / drum type	S.N.	CRITERIA	REQUIREMENT	OFFERED SPECIFICATION
Maximum rated power output not less than 14 ps and maximum torque should not be less than 12N-m at governed RPM. Starting system with self and kick.	1	General	condition giving smooth economical performance and in Off- Road conditions capable of delivering strong adequate traction and maneuverability / stability needed for safe driving in rough, sandy or slippery and hilly road conditions in Nepal	
Standard in compliance with or superior than the applicable Standard as prescribed by Nepal Vehicle Mass Emission Standard 2069(Euro-III), which is to be certified by Department of Transport Management.	2	Engine	Maximum rated power output not less than 14 ps and maximum torque should not be less than 12N-m at governed RPM. Starting system with self and kick.	,
Transmission	3	1 '	in compliance with or superior than the applicable Standard as prescribed by Nepal Vehicle Mass Emission Standard 2069(Euro-III), which is to be certified by Department of Transport	
Ground clearance High ground clearance preferred, minimum 145 mm. Suspension Suitable for smooth ride, stable handling and comfortable driving conditions. Standard Front disc type, rear disc / drum type Chassis and frame Steel, heavy duty high rigidity frame structure suitable for rough road conditions. Lessential Accessories 1. Head light turn signals light Two rear view mirrors Speedometer / odometer Heavy duty front Leg gard Seat Cover Heavy duty front Leg gard Seat Cover Heamstandard. Equipped with all accessories offered in standard model but not limited to the above items. The accessories / features supplied with the motorcycle shall be as per manufacturer's standard. Instructions All signs and instructions in the vehicle shall be in English. One copy of the Operator's and Owner's Instructions in English shall be supplied with each vehicle.	4	Transmission	Minimum Five speed manual gear shift suitable for	
Suspension Suitable for smooth ride, stable handling and comfortable driving conditions.	5	Clutch	Suitable for Transmission.	
8 Tires Standard 9 Brakes Front disc type, rear disc / drum type 10 Chassis and frame Steel, heavy duty high rigidity frame structure suitable for rough road conditions. 11 Essential Accessories 1. Head light turn signals light 2. Two rear view mirrors 3. Speedometer / odometer 4. Heavy duty front Leg gard 5. Seat Cover 6. Helmet standard . Equipped with all accessories offered in standard model but not limited to the above items. The accessories / features supplied with the motorcycle shall be as per manufacturer's standard. 12 Instructions All signs and instructions in the vehicle shall be in English. 13 Manuals One copy of the Operator's and Owner's Instructions in English shall be supplied with each vehicle. 14 Tools A set of tools as required for general maintenance	6		High ground clearance preferred, minimum 145 mm.	
9 Brakes Front disc type, rear disc / drum type 10 Chassis and frame Steel, heavy duty high rigidity frame structure suitable for rough road conditions. 11 Essential Accessories 1. Head light turn signals light 2. Two rear view mirrors 3. Speedometer / odometer 4. Heavy duty front Leg gard 5. Seat Cover 6. Helmet standard .
